Instructions:

In order to address required treatment and patient concerns, we prefer to appoint elective patients for a consultation visit prior to performing procedures. Please forward any available associated radiographs and history, useful in serving the patient.

Directions:

Our office is located in downtown Morganton 320 South Green Street, across the street from AT&T. Take Exit 105 North, off of I-40. This street is S. Sterling Street which eventually becomes South Green Street. Stay in the left lane(Hwy. 18), do not turn from Hwy. 18 until reaching our office. Our office is located at the left corner of McDowell Street and South Green Street. Parking is at far side of building. This represents the 8th stoplight from the interstate. Follow the map below or call (828) 438-1010.
